Features

Quality, Comfort, Innovation

Boomerang antenna has superior reception and is a stylish addition to the Vista Cruiser MB.

The Low Profile Coleman Mach Roof Air conditioning system provides comfortable air without being seen or heard.

Automotive windows in lieu of RV windows give the Vista MB a sleek, luxurious look.

Simple to use 30 amp and city water hookup makes plugging in at the campground fast and easy.

Cleanups are made quick and easy with Vista Cruiser's exterior wash and rinse station with both hot and cold control.

The Vista Cruiser allows you to unplug and experience true independence with an Onan® MicroLite™ 2500 Generator.

Keyless entry remote and key combined. When not in use this key folds down so its easier on your pockets.
